

Group Meeting

What has been done since last meeting (4/4/2020):

Collin: Finishing up Level Select Menu, have been testing it

Darren: Has been working on the Car class modifications

Hassain: Has created a Settings Menu, with adjustable Gamma

Noah: Has been researching GUI elements

What will be done before next meeting (date):

Collin: Will finish testing of the Car class (need code to test), and finish all needed paperwork for the presentation

Darren: Will put the finishing touches on the Car class, and finish all needed paperwork for the presentation

Hassain: Will put the finishing touches on the Settings Menu, and finish all needed paperwork for the presentation

Noah: Will finish all needed paperwork for the presentation
